THE WIZARD OF HEAVEN

the life of St. John Vianney

The 1949 French Film, *The Wizard of Heaven*, tells the compelling and remarkable true story of St. John Vianney. Starting with the Saint's arrival at Ars, this film brings to life the hardships, ridicule, and opposition that he faced, and the zeal with which he strove to overcome them. Digitally remastered, *The Wizard of Heaven* will enrapture its audience with an incredible and touching portrayal of this noble priest, whose ardent love and conquest of souls merited the following rebuke from Satan himself -

"Vianney! How you make me suffer... If there were three more like you on earth, my kingdom would be destroyed"
